

**UHC'S Palliative Care team provides:**

- ❖ Close communication & guidance
- ❖ Expert management of pain & other symptoms
- ❖ Help navigating the healthcare system
- ❖ Guidance with difficult and complex treatment options
- ❖ Emotional & spiritual support for patient and family

At **Universal Home Care (UHC)**, we strive to deliver the best possible care to our patients in Los Angeles, Orange & Ventura counties. For more than nineteen years, **UHC** has been offering palliative care treatment to coincide with a patient's curative plan so that greater care is provided!

**Palliative care along with standard treatments may prolong life**

to chronic illnesses, such as: cancer, cardiac disease, respiratory disease, kidney failure, Alzheimer's and other dementias, AIDS, Amyotrophic Lateral Sclerosis (ALS), Multiple Sclerosis (MS) and other neurological disorders.

Palliative Care can be considered at anytime during the course of chronic illness and treatment regimens can range from conservative to aggressive/curative.

This program may be right for you if you are experiencing pain, stress and other symptoms due to a serious illness. With **UHC**, you can expect to have more control over your care in a comfortable and supportive atmosphere (*such as your home!*) as a means to reduce stress and anxiety.

Most insurance plans cover all or part of palliative care treatment. To learn more about this program, please contact us at: **800-200-1020**.
